Dear Parents, Caregivers, & Students,

April Showers Bring May Flowers! Spring is the perfect time to try new activities and feel refreshed. With colorful blooms and fresh air, it's a season of growth. At NDS, we're excited to bring the beauty of spring into our meals with seasonal fruits and amazing veggies. We look forward to providing delicious, energizing meals for students this spring. Thank you for your continued support!

Happy Earth Day!

Today is a special day to celebrate our beautiful planet! Earth Day is a time to remember how we can take care of the environment. Whether it's planting a tree, picking up litter, or saving water, there are lots of ways we can help protect nature. Let's all do our part to keep the Earth clean, green, and happy for everyone to enjoy!

Rainy Day Activities

April is a very rainy time of the year. Rainy days are perfect for staying active indoors! Try an obstacle course, dance party, or fun yoga moves. Healthy snacks like fruit kabobs or smoothies are also a great ideas. Get creative with arts and crafts, build a cozy blanket fort, or have a movie marathon with favorite films and snacks. The rain might keep you inside, but your imagination can take you anywhere!

Wellness Committee

NDS is looking for members to join our Wellness Committee! Parents, PE teachers, school health professionals, and school administrators from the schools we sponsor are encouraged to participate in addition to NDS board members, the public, and other interested stakeholders.

Committee members will be responsible for updating policy language, recruiting new members, assisting with policy assessment, promoting wellness activities and policy adherence at their schools, and sharing ideas for wellness activities that schools can implement. Our next meeting will be Monday, April 28th. All meetings are virtual and held via Microsoft Teams. Please contact Jean Falk at 215–895–3470 or email jfalk@ndsarch.org for background information or other details.

Broccoli

This month NDS is highlighting a powerhouse veggie-Broccoli! This super veggie is packed with vitamins, fiber, and minerals to keep you strong and healthy! It helps boost your immune system, keeps your bones strong, and gives you energy to stay active. Whether you eat it raw, roasted, or in a stir-fry, broccoli is a tasty and super nutritious way to fuel your day!

Thank you for the beauty of spring.
For flowers, trees, and sunny days, and for new life all around us.
Help us to grow in kindness and love.
